ACHIEVE Awarded Women Giving for Spartanburg Grant

On April 19, 2021, after submitting a grant written through the non-profit Upstate Workforce Futures Corporation (UWFC) to the Women Giving of Spartanburg for the fourth straight year to get a much-needed van to transport the ACHIEVE students, ACHIEVE received this email:

“I am pleased to inform you, on behalf of Women Giving for Spartanburg, that ACHIEVE will receive a Grant in the amount of \$27,295 towards the achievement of the goals and objectives set forth in your Grant request submitted to Women Giving (WG) for Spartanburg. This award recognizes your creativity and thought in addressing the needs of our Spartanburg Community Indicators. This selection from an initial Grant application pool of twenty-five and ten finalists, carefully considered by the entire membership of Women Giving, attests to our belief in your ability to make a true difference. We congratulate you and support your effort in making a positive impact on the growth, health and quality of life in Spartanburg County.”

There were several students who contributed to this process and they, like the ACHIEVE staff, were elated to be able to replace the 2006 van. Thanks to the Upstate Workforce Board staff, Nikoya Shaw and Ann Angermeier, and to Chuck Ewart, UWFC Chairperson, for assisting ACHIEVE.

A new van similar to the one pictured below will be purchased this year. The WG logo will be displayed.
