POLICY EFFECTIVE AND TERMINATION DATES

Effective Date. This Policy begins on the Policy Effective Date shown in the Master Application at 12:01 AM Standard Time at the address of the Policyholder where this Policy is delivered.

Termination Date. Either the Company or the Policyholder may terminate this Policy on any premium due date by giving 30 days advance notice in writing to the other party. This Policy may, at any time, be terminated by mutual written consent of the Company and the Policyholder. This Policy terminates automatically on the earlier of: (1) the Policy Termination Date shown in the Master Application; or (2) the premium due date if premiums are not paid when due. Termination takes effect at 12:01 AM Standard Time at the Policyholder's address on the date of termination.

INSURED'S EFFECTIVE AND TERMINATION DATES

Effective Date. An Insured's coverage under this Policy begins on the latest of: (1) the Policy Effective Date; (2) the date for which the first premium for the Insured's coverage is paid; or (3) the date the person becomes a member of an eligible class of persons as described in the Classification of Eligible Persons section of the Master Application.

A change in an Insured's coverage under this Policy due to a change in his or her eligible class or Covered Activity becomes effective on the later of: (1) when the change in his or her eligible class or Covered Activity occurs; or (2) if the change requires a change in premium, the date the first changed premium is paid. However, a change in coverage applies only with respect to accidents that occur once

the change becomes effective.

Termination Date. An Insured's coverage under this Policy ends on the earliest of: (1) the date this Policy is terminated; (2) the premium due date if premiums are not paid when due, or (3) the date the Insured ceases to be a member of any eligible class(es) of persons as described in the Classification of Eligible Persons section of the Master Application.

Termination of coverage will not affect a claim for a covered loss that occurred while the Insured's coverage was in force under this Policy.

PREMIUM

Premiums. Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Master Application. The Company may change the required premiums as a condition of any renewal of this Policy. The Company may also change the required premiums at any time when any change affecting rates is made in this Policy. (Any such change in this Policy will not take effect until any required additional premium is received by the Company, except as otherwise agreed to in writing by the Company and the Policyholder.)

Grace Period. A Grace Period of 31 days will be provided for the payment of any premium due after the first. This Policy will not be terminated for nonpayment of premium during the Grace Period if the Policyholder pays all premiums due by the last day of the Grace Period. This Policy will terminate on the last day of the period for which all premiums have been paid if the Policyholder fails to pay all premiums due by the last day of the Grace Period.

If the Company expressly agrees to accept late payment of a premium without terminating this Policy, the Company does so in accordance with the Noncompliance with Policy Requirements provision of the General Provisions section. In such case, the Policyholder will be liable to the Company for any unpaid premiums for the time this Policy is in force.

No grace period will be provided if the Company receives notice to terminate this Policy prior to a premium due date.

BENEFITS

Maximum Amount. As applicable to each Benefit provided by this Policy for each Insured, Maximum Amount means the amount shown as the maximum amount for that Benefit for the Insured's eligible class in the Benefit Schedule, subject to the Reduction Schedule shown below.

Reduction Schedule. The Maximum Amount used to determine the amount payable for a loss will be reduced if an Insured is age 70 or older on the date of the accident causing the loss with respect to any of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The Maximum Amount is reduced to a percentage of the Maximum Amount that would be used if the Insured were under age 70 on the date of the accident, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF UNDER-AGE-70 MAXIMUM AMOUNT
70 - 74	65%
75 - 79	45%
80 - 84	30%
85 and older	15%

Premium for an Insured age 70 or older is based on 100% of the coverage that would be in effect if the Insured were under age 70.

"Age" as used above refers to the age of the Insured on the Insured's most recent birthday, regardless of the actual time of birth.

Accidental Death Benefit. If Injury to the Insured results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Maximum Amount.

Accidental Dismemberment Benefit. If Injury to the Insured results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Maximum Amount shown below for that Loss:

For Loss Of	Percentage of Maximum Amount
Both Hands or Both Feet	100%
Sight of Both Eyes	100%
One Hand and One Foot	100%
One Hand and the Sight of One Eye	100%
One Foot and the Sight of One Eye	100%
Speech and Hearing in Both Ears	100%
One Hand or One Foot	50%
The Sight of One Eye	50%
Speech or Hearing in Both Ears	50%
Hearing in One Ear	25%
Thumb and Index Finger of Same Hand	25%

"Loss" of a hand or foot means complete severance through or above the wrist or ankle joint. "Loss" of sight of an eye means total and irrecoverable loss of the entire sight in that eye. "Loss" of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. "Loss" of speech means total and irrecoverable loss of the entire ability to speak. "Loss" of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits.

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

Exposure and Disappearance. If by reason of an accident occurring while an Insured's coverage is in force under this Policy, the Insured is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured has suffered accidental death within the meaning of this Policy.

LIMITATIONS

Limitation on Multiple Benefits. If an Insured suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit.

EXCLUSIONS

This Policy does not cover any loss caused in whole or in part by, or resulting in whole or in part from, the following:

1. suicide or any attempt at suicide or intentionally self inflicted injury or any attempt at intentionally self inflicted injury.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at A&H Claims Department PO Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding $1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy during the contestable period in case of death where it is not forbidden by law. The autopsy must be performed in the state of South Carolina.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 6 years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Records. The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

New Entrants. This Policy will allow from time to time, that new eligible Insureds of the Policyholder be added to the class(es) of Insureds originally insured under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his

or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

EXCESS BENEFITS RIDER

This Rider is attached to and made part of the Policy effective July 1, 2015. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

Excess Benefits. This Rider applies when an Insured has Accident Medical Expense coverage (herein called This Plan) under the Policy and health care coverage under one or more other Plans. When there is a basis for a claim under This Plan and another Plan, This Plan is an excess plan which has its benefits determined in excess of the benefits of the other Plan as described below, unless both: (1) the other Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of This Plan; and (2) This Plan has covered the Insured longer than the other Plan has. When This Plan is an excess plan, the benefits of This Plan for any Allowable Expenses will be reduced when the sum of:

1. the benefits that would be payable for those Allowable Expenses under This Plan in the absence of this Rider; and
2. the benefits that would be payable for those Allowable Expenses under the other Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of those Allowable Expenses. In that case, This Plan's benefits will be reduced so that they and the other Plans' benefits do not total more than the amount of those Allowable Expenses.

Right to Receive and Release Needed Information. The Company has the right to decide which facts it needs to administer this Rider. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

Facility of Payment and Right of Recovery. If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have paid under this Rider, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations.

Plan - as used in this Rider, means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (5) medical benefits coverage in automobile "no-fault" and traditional automobile "fault" type contracts; and (6) coverage under a governmental plan or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

Allowable Expense - as used in this Rider, means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

SUBROGATION ENDORSEMENT

This Endorsement is attached to and made part of the Policy effective July 1, 2015. It applies only with respect to benefits payable under the Policy on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Endorsement.

The following section is added after the Exclusions section of the Policy:

SUBROGATION

As a condition to receiving Accident Medical Expense benefits under this Policy, the Insured (or, if he or she is deceased, an authorized representative of the Insured) agrees, except as may be limited or prohibited by applicable law, that the Company is subrogated, for the purpose of the Company's recovery of any such benefits paid to or on behalf of the Insured, to any and all claims, causes of action or rights that he or she has or that may rise against any liable Third Party who has or may have caused, contributed to or aggravated the injury for which the Insured claims an entitlement to Policy benefits, and to any claims, causes of action or rights he or she may have against any Coverage for the injury for which the Insured claims an entitlement to Policy benefits. The Company's subrogation rights will extend only to the amount of benefits paid previously to or on behalf of the Insured's injury by the liable Third Party.

The Insured agrees that he or she will make a decision on pursuing any and all claims, causes of action and rights against any and all liable Third Parties and Coverage within 30 days of the date the Company requires that the Insured provide Notice of Claim for the injury for which such Policy benefits are sought, and within such 30-day period will so notify the Company in writing. In the event the Insured decides not to pursue a claim, cause of action or right against a liable Third Party or Coverage, or fails to notify the Company of his or her intent to do so within such 30-day period, the Insured authorizes the Company to pursue, sue, compromise or settle any such claim, cause of action or right in his or her name, authorizes the Company to execute any and all documents necessary to pursue any such claim, cause of action or right, and agrees to cooperate fully with the Company in the prosecution of any such claim, cause of action or right. The Insured may request that the Insurance Commissioner determine if subrogation is inequitable or commits an injustice. Subrogation will be prohibited should such a determination be made.

If the Insured is a minor or is not competent to make this agreement, the legal guardian of the Insured's property makes the agreement on the Insured's behalf as a condition to receiving Accident Medical Expense benefits under this Policy on behalf of the Insured. If the Insured has no guardian for his or her property, the person or persons who, in the Company's opinion, have assumed the custody and support of the minor or responsibility

for the incompetent person's affairs make the agreement on the Insured's behalf as a condition to receiving such benefits under this Policy on behalf of the Insured.

Attorney's fees and costs will be paid by the Company from any amounts recovered on behalf of an Insured.

Coverage - as used in the Subrogation section of this Policy, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except this Policy and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder).

Third Party(ies) - as used in the Subrogation section of this Policy, means any person, corporation or other entity (except the Insured, the Policyholder and the Company).

IMPORTANT NOTICE TO OUR CUSTOMERS REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or person may enter into certain transactions in or connected to such designated "sanctioned" countries.
- OFAC maintains a directory known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website: http://www.ustreas.gov/offices/eotffc/ofac.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or "freeze" property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See http://www.ustreas.gov/offices/eotffc/ofac/legal/forms/license.pdf

HIPAA Privacy Notice
AIG Property Casualty

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

About this Notice

You are receiving this notice because you have insurance under an individual or group Accident and Health (A&H) policy from one of the property-casualty insurance company subsidiaries or affiliates of American International Group, Inc. (collectively, the "AIG Companies" or "we") listed at the end of this notice.

If the A&H insurance policy you have does not provide payment for the cost of medical care, then this Health Insurance Portability and Accountability Act (HIPAA) Notice does not apply to you. In that case, the AIG Property Casualty Privacy and Data Security Notice you also received from us describes our privacy practices and your rights under state laws related to personal health and other personal information we may have collected about you in the course of conducting business with you.

If the A&H insurance policy you have provides payment for the cost of medical care, the AIG Property Casualty Privacy and Data Security Notice applies and the Health Insurance Portability and Accountability Act requires us to send you this additional notice of our obligations and your rights, under federal law.

Our Duties

We are required to maintain the privacy of protected health information and to provide you with notice of our legal duties and privacy practices with respect to protected health information. "Protected health information" includes any identifiable information that we obtain from you or others that relates to your physical or mental health, the health care you have received, or payment for your health care.

We are required to abide by the terms of this notice currently in effect. We reserve the right to change the terms of this notice and to make the new notice provisions effective for all protected health information that we maintain. In the event we revise the practices related to privacy described in this notice, we will provide you with a revised notice by mail.

Your Individual Rights

With respect to protected health information, you have the following rights:

1. The right to request restrictions on certain uses and disclosures of protected health information including the uses and disclosures listed in this notice and permitted disclosures by law. However, we are not required to agree to a requested restriction except for a request for a restriction to your protected health information where you have paid for the cost of the health care item or service in full and disclosure is not otherwise required by law;
2. The right to reasonably request to receive confidential communications of protected health information by alternative means or at alternative locations;
3. The right to inspect and copy your protected health information in our records, in either hard copy or electronic form to the extent that we maintain such records electronically, except:
   - for psychotherapy notes;
   - for information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding;
   - for protected health information that is subject to a law prohibiting access to that information; or
   - if the protected health information was obtained from someone other than us under a promise of confidentiality and the access requested would be reasonably likely to reveal the source of the information.

We may also deny your request to inspect and copy your protected health information if:

- a licensed health care professional has determined that the access requested is reasonably likely to endanger your life or physical safety or the life or physical safety of another person;
- the protected health information makes reference to another person and a licensed health care professional has determined that the access requested is reasonably likely to cause substantial harm to such other person; or

If we deny access on one of the above three grounds, you have the right to have the denial reviewed in accordance with applicable law;

4. The right to amend your protected health information contained in our records. However, if the information was not created by us, is not part of your medical or billing records, is not available for inspection, or the information is accurate and complete, we are not required to amend the information;
