

INSTRUCTION LETTER

INSTRUCTION NUMBER: WIOA Local Instruction 21-01

TO: WIOA Youth Contractor

SUBJECT: Required Use of SCWOS Referrals

DATE ISSUED: July 7, 2021 **DATE EFFECTIVE:** Immediately **DATE EXPIRES:** Indefinitely

Purpose: To provide guidance on the required use of SC Works Online Services (SCWOS) for customer referrals.

Background: The Workforce Innovation and Opportunity Act (WIOA) places a strong emphasis on planning across multiple partner programs to ensure alignment and collaboration in service delivery. The SC Works system brings together a series of partner programs and entities responsible for workforce development, education, and other human resources programs to collaborate in the creation of a seamless customer-focused service delivery network that enhances access to the programs’ services. Effective referrals are essential to maximizing resources and aligning critical services for SC Works customers.

Policy: A referral is used to introduce an individual to another program or provider of service and to provide a description of the type of service the individual is seeking. A vital responsibility of each SC Works partner is the effective referral of customers to the appropriate partner for services, in a manner that reduces duplication and ensures tracking of referrals to build accountability. Additionally, WIOA strongly encourages the use of an integrated system of case management, using technology to achieve alignment in service delivery that meets customers’ needs, including referrals. In order to facilitate such a system, the following programs are required to conduct all customer referrals through SCWOS:

- WIOA Title I
- Wagner-Peyser (WP)
- Trade Adjustment Assistance (TAA)
- Jobs for Veterans State Grants (JVSG)
- Reemployment Services and Eligibility Assessment Grants (RESEA)

The use of SCWOS for referrals will foster a more streamlined referral system, while further supporting a coordinated delivery of service to SC Works customers. Additionally, electronic referrals via SCWOS can be more easily tracked, including outcomes.

Step-by-step instructions regarding Staff Referrals to Providers in SCWOS are located under Staff Online Resources in SCWOS.

At a minimum, a referral must include:

- Name of the participant being referred;
- Date Contact Made – Date the referring partner provides referral information to referred partner;
- Referral To – partner organization receiving the referral;
- Reason for the Referral – Why the participant is being referred and/or what services are being sought; and
- An actively checked email address for the provider receiving the referral.

NOTE: This information must also be documented in a corresponding case note. Supporting documentation, such as a release of information form, may be attached to the case note as appropriate.

Referrals should be completed by the referring program, but the status left open at the time of referral. This indicates that a referral to a partner program has been made, but the outcome is not yet known.

If an individual declines to enroll in the partner program referred to, program staff receiving the referral must document the individual's refusal by:

- Entering a case note in SCWOS outlining that the individual is declining to enroll in the partner program and why; and
- Complete and attach the *Program Enrollment Refusal Form* (located in SCWOS under Staff Online Resources) to the case note.

To ensure referrals are being closed and outcomes recorded, supervisory program staff should monitor the *“Staff Referrals Report”* in SCWOS under Detailed Reports.

Action: Ensure that all staff receive and understand this policy.
