We are excited to highlight our new student, Shanika Powers, as she starts her work-based learning experience with the Regina Benton School of Cosmetology. Shanika will be gaining valuable customer service skills while assisting with the day-to-day operations of the institution. Shanika is enrolled at the Spartanburg Center and is already scheduled to take portions of her GED. Once she gets her GED, Shanika is considering cosmetology or going into a CNA or Phlebotomy program at SCC. Since coming into the program in August, she has gotten right to work in all her goals. We are excited to see where her journey takes her.
