In the month of February, Hazel Webb of the Cherokee County ACHIEVE location inquired about a work-based learning experience with Career Readiness Specialist, Lisa Hannon. Hazel currently works full time but was interested in exploring what other careers look like during her days off. She was especially interested in a career in cosmetology as her next training move after she receives her GED. Through our partnership with Regina Benton School of Cosmetology, Hazel was able to start working at the school during her days off from her full-time job. Through this work experience, Hazel hopes to solidify her future choices and decide if a career in cosmetology is right for her. We are excited about the continued partnership with Regina and her willingness to allow students to come gain experience in the field.

We have moved. Our physical location is now at 145 N Church Street, Suite 128, Spartanburg, SC 29306.
