Success Story

After working at Inman Mills as a Spinner for years, Ms. Ross was interested in a career path that would provide high wages and opportunities for advancement. Due to the cost of training, Ms. Ross inquired about the services offered by SC Works. She was enrolled into the WIOA program shortly afterwards.

After Ms. Ross obtained her CDL License it did take some time for find a training related employment opportunity, but she did not allow that to discourage her. She worked with her TDS and attended the available workshops during her job search. On 05/16/2023 Ms. Ross landed an over the road Truck Driver position with Crown Point Logistics. But she quickly realized that she needed a local position and on 07/10/2023 she started working with Cherokee County as a Driver with their sanitation department. Ms. Ross states, "she currently loves her job and is very thankful for the WIOA program. If it had not been for this program, I would not have had this opportunity to give my family the life they are living now."
