## ACHIEVE TO EXPAND SERVICES TO CHEROKEE AND UNION

For PY20 (2020-2021), ACHIEVE has expanded the number of applicants that will be enrolled as well as services extended within Cherokee County and Union County, primarily through partnerships with the Adult Education programs.

ACHIEVE has partnered with Spartanburg County Adult Education with Ad Ed providing ACHIEVE an on-site GED instructor. This has been a beneficial partnership as we share WIOA resources to better serve the at-risk youth.

ACHIEVE staff is excited that Lisa Hannon, former Cherokee County Adult Education director, is joining the ACHIEVE staff as the career specialist for Cherokee and Union, working primarily with the Adult Education programs. Ms. Hannon will offer intensive career readiness to students preparing to obtain their GED and high school diploma. ACHIEVE will conduct various workshops as well as job internships within the two counties.
