Spartanburg Community College

With the inception of the Workforce Innovative Opportunity Act (WIOA) in 2014, agencies from federal/state department levels were mandated to partner and offer comprehensive services to those who come for assistance. Among the partners listed in the above title, Meredith Ellis is receiving services to assist her in obtaining her high school diploma equivalency, intensive career guidance to prepare her for career and college, and classes to certify her in her career interests. Meredith is provided transportation to Adult Ed classes (Copeland Center) via a grant in Cherokee County with Mission of Grace and provided transportation to CNA classes at SCC Cherokee via the ACHIEVE Program van (through the Upstate Workforce WIOA grant). Meredith’s CNA classes are paid with an SCC grant. Grant dollars are working to serve those in need.
