ACHIEVE is proud to feature Christopher Rochette, of the Spartanburg Center, as our student work experience of the month. Christopher has been hired by SC Works to complete many tasks at the center. Most importantly with the upcoming move of the center, Christopher has been providing a vital service to help the center prepare for the move. He has been able to help multiple partners throughout the center, organize and purge items as needed.

Christopher received his GED in record time in March and then continued to utilize all that ACHIEVE has to offer. He has received forklift training, participated in driver's education training, and participated in Cellbotics. ACHIEVE is proud of Christopher and all his accomplishments.
