As December was a short month for a program, we had big things happening. We finalized partnerships with Cherokee County companies, Ply Gem and Freightliner for our students to start work based learning in January. We had many students successfully complete their work experiences and receive high evaluations upon their completion of their work experiences. We also established a partnership with Ruth's Gleanings. Ruth's Gleaning's helps bridge that gap between food waste and nutritional poverty by rescuing excess fresh, healthy food and distributing it to partner organizations who serve those in need.

On December 14th, 8 students, 4 staff and an SC Works Partner, went to their packing center in Pacolet to pack food share boxes. Students were given firsthand experience with food assembly, food distribution, as well as community service. ACHIEVE decided to partner to serve as an on-call partner with Ruth's Gleanings to continue to participate in this service to the community.

- *VR Sets traveling to Union Adult Ed for Achieve/ Adult Ed students.
- *Regularly Scheduled Trainings from Kenneth scheduled for Union Adult Ed.
