This year, ACHIEVE closed out its final month of PY21 by taking students from the Spartanburg Center on a weeklong college tour. Each day students showed up to class and each day students were transported to various campuses in the Spartanburg area to tour. We were able to go to Spartanburg Community College, USC Upstate, and Spartanburg Methodist College. This allowed students to get a feel for what each college had to offer the students as far as academics and campus life. We are proud to announce that as a program and with support from our partners, we were able to close out the PY by awarding 40 GEDs to students in Spartanburg, Cherokee and Union.
