This month, we are proud to feature Anthony Estrada Medina of the ACHIEVE Cherokee location. Anthony received his diploma through our services and went on to obtain his forklift certification.

Anthony attended an information session for Ply Gem and was convinced that is where he wanted to go to work. ACHIEVE was able to get Anthony a paid work experience with Ply Gem. He was expected to attend the open hiring event to get started with Ply Gem, and in this interview, he was able to utilize all the job interviewing skills he learned with ACHIEVE. He was highly successful for three weeks in his work experience with Ply Gem and they then made the choice to hire him on directly. We are so proud of Anthony and all his accomplishments.

*CellBotics course planned for the end of April. We should have students from every location participating.
