This month we celebrate our ACHIEVE Graduates through our partnership with both Spartanburg and Union Adult Education. In this Program Year, we have enrolled four students in Union County and two have graduated. We have also co-enrolled with Spartanburg Adult Education and have produced 18 graduates. These students have fully utilized ACHIEVE services to participate in valuable work experiences, received industry recognized credentials and participate in driver's education training. We are so proud of their accomplishments and look forward to our continued partnerships with both Spartanburg and Union Adult Education.
