

# March 2023 Virtual Workshops

**Financial Literacy** – The ability to understand and effectively use various financial skills, including personal financial management, budgeting, and investing. Financial literacy is important because it allows an individual to understand and maximize whatever level of income they earn. It helps people transform their lives.

**Get LinkedIn** – Ready to Connect with others on LinkedIn? This session goes into making a successful profile and helping you stand out to Recruiters.

**Interviewing with Success** – A look at 4 different Interview Techniques used by employers today and ways to Win the job during the interview

**Job Search: “A Good Catch”** – Have you been concerned that your job search strategy isn't on target and you are losing exciting opportunities? Well you may be right! Most job seekers don't know all the critical ingredients and go into job search without the advantages and benefits a well-developed strategy provides.

**Resume Roadmap** – Need a Resume? Here we discuss the Do's and Don'ts of building a resume for today's market

**Skill me Now!**– Ever wondered what skills are highly sought after by Employers? Here you can gain that insight and use it to your advantage when seeking your new career!

**What Employers “See”** – We all know that employers often look us up online during the interview process, but what do they really “see”? Come to this session to find out!

**Workforce Innovation and Opportunity Act Informational Session** – Learn more about Free Training for In Demand occupations in the Upstate ([Registration required before attending this session only at the website below](#))
