RESUME TIP #3
LIMIT WORK EXPERIENCE

TRANSITION YOUR FOCUS TO
THE LAST 10 YEARS OF YOUR WORK HISTORY

WHY?

- #1 COMPANIES WANT TO FOCUS ON RELEVANT WORK EXPERIENCE; JOBS HAVE CHANGED OVER TIME DUE TO TECHNOLOGY.
- EXAMPLE MCDONALD'S DID NOT ALWAYS HAVE COFFEE SHOPS

Success Story

Timothy had noticed that his lack of a Commercial Driver's License (CDL) was inhibiting him from a career in the trucking industry. He had no recent work history and needed to upgrade his skills in order to find self-sustaining employment. Timothy visited his local SC Works Center to become a Commercial Truck Driver and was needing assistance with schooling. He had heard great things about the Workforce Innovation Opportunity Act (WIOA). He wanted to secure full-time employment in the trucking industry and obtain a CDL certification.

Timothy was determined eligible as an Adult under WIOA. He was enrolled in the WIOA program on 05/11/2022. He entered the program in search of a career path in the trucking industry to have financial stability and growth. Upon enrollment in the WIOA program, Timothy worked closely with the Talent Development Specialist (TDS) to identify barriers, prioritize needs and strategize a way to move forward. He completed the TABE testing and other program requirements. He was enrolled for the CDL program on 07/11/2022 at Commercial Driving Academy. Timothy was approved for tuition costs, reimbursement fees, and support services for transportation to Commercial Driving Academy.

Timothy successfully completed the CDL program at Commercial Driving Academy on 08/10/2022 and obtained his CDL certification. He always showed a constant sense of responsibility, commitment and a desire to improve during his participation in the WIOA program. He accepted a full-time position as an Over the Road Truck Driver on September 10th, 2022. Timothy is grateful for the assistance he received from WIOA that allowed him to reach his goal in obtaining his CDL and becoming a truck driver.
