***This policy is required to be reviewed and amended by the Greenville County Workforce Development Board (GCWDB) and the Upstate Workforce Board (UWB) and/or a board designated committee not less than annually.**

BACKGROUND: WIOA Title I [Section 134]. The development boards are responsible for establishing local policies related to allowable training activities, length of training and cost limits for training. The boards must also determine in-demand occupations and industries within the local area for the purpose of wisely investing local WIOA training dollars.

POLICY: The GCWDB and the UWB have determined that the following activities, local requirements, time limits, and cost limits shall apply to all training activities. **The maximum, per participant, expenditure amount for any combination of training activities listed below is \$12,000.** This cap does not include supportive services. Any portion of the total training that is paid with resources other than WIOA funds (i.e., PELL, Lottery, TAA, etc.), will not count towards the training cap. Training-related costs such as books, fees, uniforms, etc., are considered supportive services. Refer to Supportive Services Policy for additional information. Requests for exceptions to these requirements or limits require a completed Waiver Request Form, to be signed and approved by the appropriate board's Executive Director or designee.

Occupations identified within this policy are not necessarily included in PATH (states system for ETPL). Should the need arise for a program to be added to PATH, a request must be submitted to the proper workforce board office for consideration. Only programs aligning with the current in-demand occupation list will be considered. When approving or denying request for PATH other consideration may include (but are not limited) the following: entry wages, type of credential issued, location of training provider, classroom training vs. online training, labor market information, etc.

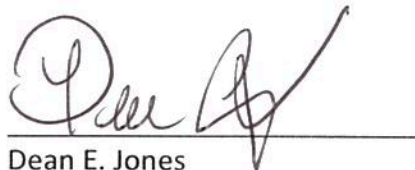

Clearly documented commitments made prior to this instruction shall fall within any applicable previous policy guidelines.

ACTION: You are responsible for the immediate distribution and implementation of this instruction.
