On August 11th our students returned to class to kick off the new school year. Students spent July working on review packets and completing summer service projects in their communities ranging from helping a neighbor with yardwork to volunteering at a local Soup Kitchen.

On September 8th we welcomed Mr. Anthony Mims from SCC to our classroom (top center). Mr. Mims spent the morning sharing the most current program offerings with students and answering various questions about SCC.

On September 18th students visited the Spartanburg County Courthouse where they had the opportunity to sit in on eight Civil Magistrate cases. The judge took the time to explain the 4th, 5th, and 6th Amendment rights to students.

Congratulations to Tyanna Pitts (bottom center). She is our first student of the new fiscal year to earn her GED. Tyanna is a single Mom and works two jobs. We Are so proud of her and know she will continue to grow and flourish. 😊
