Special Presentation:

Ms. Cherie Pressley presented the board with the Upstate Regional Education Center Gap Analysis Report. She explained how the information was gathered, what the different components meant, and what the results mean for businesses and the future workforce.

OneStop Oversight Committee Report:

Mr. Craig Jacobs, committee chair, reported for the OneStop Oversight Committee. The committee met on October 15, 2014. There were no items that required board action. Mr. Jacobs stated that there are still concerns related to the Upstate Workforce Investment Board's (Upstate WIB) relationship with the

South Carolina Department of Employment and Workforce (SCDEW) and whether local service delivery is in compliance with the Workforce Investment Act and Regulations due to SCDEW's decision not to co-locate into the SC Works Upstate center, as well as not providing mandated services within the centers. A letter was sent to the Department of Labor (DOL) Director requesting an audit of the local OneStop system as a whole. The committee also recommended that an independent audit be conducted. As of the board meeting date, there had been no response from DOL on this issue.

Funding Oversight Committee Report:

Mr. Jim Cook, committee chair, reported for the Funding Oversight Committee. The committee met on November 4, 2014 and reviewed the end-of-the-year and the year-to-date budgets. The committee had the following requests for approval from the Board:

- The Funding Oversight Committee recommends approval for an Upstate WIB Office budget modification with the following line item changes:
- a. Special Projects: adding \$8,000 to the line item in order to execute an Economic/Manufacturing Summit.
- b. Special Projects: adding \$6,000 to the line item in order to conduct a third-party review/assessment of the One Stop System.
- c. Professional Development: adding \$4,000 to the line item in order to allow Upstate WIB staff and board members the opportunity to attend the National Association of Workforce Board Conference (NAWB) and/or conduct other WIOA preparatory training.

There were no abstentions. The motion carried.

- The Funding Oversight Committee recommends approval for the Arbor SC Works budget modification request, which includes the following changes:
- a. Transferring 15.84% of funds from the Dislocated Worker to Adult funding stream.
- b. Salaries: increase the line item by \$44,102.89 in order to add a Business Services Manager, a Union Center Manager, and a Union Part-Time Business Services Consultant.
- c. Mileage: increase by \$2,700 due to increased travel and community outreach efforts.
- d. Equipment Rental: increase by \$300 due to a projected annual expense rate increase.
- e. Contract/Consulting Services: increase by \$7,947.20 to provide external IT consulting support.
- f. Budget modifications to the noted line items also increase the Fringes, Indirect and Management Fee line items.
- g. Total contract increase: \$77,131.97, for a grand total contract amount of \$1,554,248.65.

Ms. Johnnie-Lynn Crosby abstained. The motion carried.

 The Funding Oversight Committee recommends that the board grant the Upstate WIB staff authority to submit any additional fund transfer requests to the SCDEW as needed throughout the year.

There were no abstentions. The motion carried.

Youth Alliance Report:

Ms. Theresa Perry, committee chair, reported for the Upstate Youth Alliance (UYA).

The UYA met on October 24, 2014 with Officer Chris Roberts from the Spartanburg Police Department as the guest speaker. Officer Roberts spoke to the UYA about gang activity in Spartanburg.

During the meeting there were program updates from the USC Upstate Achieve and YouthStop programs. The committee had no items that required board action.

Ms. Perry asked Ms. Dana Wood to inform the board about the new Upstate WIB Healthy Food Policy. Ms. Wood stated that any time food is provided for youth it must meet the guidelines within the policy. The policy eliminates fried foods, and recommends baked chips, fruit, protein, and healthier snacks. Ms. Wood stated that the students have been very receptive to this change.

Ms. Wood also updated the board on recent Youth Leadership activities.

Executive Director's Report:

Ms. Ann Angermeier reported that there was a recent newspaper article regarding Project Search. She stated that while she and Ms. Perry initiated the program at Spartanburg Medical Center, neither the Upstate WIB nor Ms. Perry were mentioned in the article. She noted her disappointment.

Ms. Angermeier congratulated Mr. Cook on the Rincon Company coming to Blacksburg. This company will add approximately 200 jobs in Cherokee County.

Ms. Angermeier told the board about F3 Engineering coming to Spartanburg bringing approximately 50 new jobs.

Ms. Angermeier thanked Ms. Pressley for being a good partner with the Upstate WIB in her role as the liaison between the Upstate WIB and the schools.

Other Business:

Mr. Cook informed the board that due to Ms. Wood's efforts the Cherokee County WorkReady Communities Initiative has reached 98% of its goal. It was also noted that Spartanburg County has reached 95% of their goal.

Mr. Wall told the board that the WIOA lunch and learn was very informative and those who were not able to attend that meeting should try to attend the next one. Ms. Angermeier's PowerPoint presentation has been added to the Upstate WIB website for the board to review prior to the next lunch and learn session.

Adjournment:

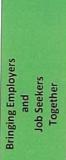

With no other business or discussion from the floor, the meeting was adjourned at 9:35 a.m.

The next regular meeting of the Upstate Workforce Investment Board is scheduled for January 21, 2015 at 8:30 a.m. The venue is to be determined.

SC WORKS UPSTATE GRANT MODIFICATION REQUEST FORM

(If necessary, use more than one form)

Date: 01/02/2015

Grant number: 14M903Q1-UWIB - Modification #3

Change(s) requested (note which section(s) of the original grant are to be changed, then state the new wording to reflect those changes):

Changes Requested:

Training (+\$100.000.00): Reflects a line item increase from \$346.500.00 to \$446.500.00 due to increased UWIB funding to support training needs.

Outreach (-\$6,000.00): Reflects a line item decrease from \$20,000.00 to \$14,000.00 due to UWIB request to support larger UWIB outreach efforts.

Telephone (+\$5,000.00): Reflects a line item increase from \$23,000.00 to \$28,000.00 due to prospective impact of telephone system transition related to DEW IT transition in Gaffney.

Contract/Consulting Services (-\$5,000.00): Reflects line item impact from \$18,495.84 to \$13,495.84 to move the expected reduction in anticipated consulting costs to the Telephone line item.

Indirect (-628.80): Reflects line item impact due to decrease in Outreach.

Management Fee (+5,437.46): Reflects line item impact due to overall increase in contract value.

Reason for modification:

This budget modification is requested to indicate addition of Training funds (as directed, \$65,000.00 added to Adult and \$35,000.00 added to Dislocated Worker Training Line item funding streams), reduction of Outreach to support UWIB Outreach efforts, and address anticipated need for increased communication costs in Gaffney.

	Guest Speaker Mr. Sam Napier spoke about Project Search, its services and how the program has been beneficial to students with disabilities. Program Updates Ms. Helen Merriweather and Ms. Michelle Hawkins gave an update about each youth program, which included their enrollment numbers, program activities and each program's progress thus far. Youth Service Coordinator Update Ms. Shannon Wilkins gave an update regarding the status of the Youth RFP, meeting dates concerning the RFP and WIOA. USC Upstate Achieve's Budget Modification ACHIEVE's original PY14 budget was approved before they were aware of plans to co-locate. Since their first modification, the Premises Rent line item has been further reduced, and communications cost have greatly decreased. The Premises Rent line item has decreased an additional \$886.69. This decrease caused Indirect Cost to decrease \$74.84. ACHIEVE is requesting to move the excess of funds from Premises Rent and Indirect Cost, totaling \$961.53, to the Other Training Expenses line item, increasing it from \$4,366.42 to \$5,326.95, to allow ACHIEVE to increase funds for the training of participants. ACHIEVE's internet and phones are now included in Premises Rent, which led to the surplus of funds in the Communications line item. The Communications line item has decreased \$3,049.00. Achieve is requesting to move \$1,526.00 from Communications to Staff Travel and Professional Development, \$600.00 from Communications to Advertising/ Printing and \$923.00 from Communications to GED Fees. The reallocation of these monies will fund more marketing materials, conferences for staff to learn about WIOA, and cover the increase in the cost of the GED (including retakes).
